*A note from
Pastor Chip*

October 2020

Dear Church Family:

We are now surely entering autumn, when the temperatures dip, the days shorten, and the colors all around us explode against the darkening, graying skies. We are now performing the rituals that bring us confirmation of the end of summer in our yards and gardens and every aspect of our lives. Fall is and always has been a busy season, whether in agriculture or industry, at school or at home, and does not often allow us time for reflection or rest. There is work to be done.

This fall, we encounter new ordeals and new obstacles to our established patterns. We move through this season cautiously and anxiously. Perhaps much of our lives have settled into something approximating normal, such that the strangeness of it all appears only in the peripheral vision of our days. Our lives and relationships have been mediated by screens almost completely through the spring and summer, and we've grown accustomed to it – if not satisfied with it. And, besides, there is work to be done.

The upheaval of the last seven months, beginning with the eruption of the coronavirus pandemic and the cascading events that proceeded from it and unfolded alongside it, has marked this year as one unlike any other, certainly in my lifetime. We have been confronted with great challenges, and we have been forced to meet them with strength, courage and wisdom, and also with hope, faith, and mercy. Even as we are overwhelmed by

events, we are called to respond to them. After all, there is work to be done.

Here at Wilbraham United, every fall we begin again our program year. The atmosphere in 2020 is different; the methods of meeting and communication have changed; our ways of welcome and our extravagant hospitality are adapting. But we are still celebrating, still coming together, still striving to live out our faith – in God's love and mercy, in Christ's gospel message, and in the Holy Spirit's presence with us and promise to us. Even with our doors closed, we still offer ourselves to God, to one another, and to the community and world outside those doors. How could we not, when there is work to be done?

We are building God's beloved community, sharing Christ's liberating message, preaching peace and practicing mercy. We are finding new ways to dig deeper and reach out further. We are continuing to walk with God and another, whether six feet apart or through the internet, into God's promised future for us. God works with us, and the Holy Spirit works on us, strengthening our steps and inspiring our souls. Let us have hope in despair, and faith amid trials, and bring God's love to the world. There is work to be done.

Blessings,

Pastor Chip

A note from Rev. Paul

“Action, Action, We Want Action!”

Those among us who were cheerleaders or spent time at sporting events “back in the day” are familiar with the old cheer “A-C-T (clap, clap-clap) I-O-N (clap, clap-clap) action, action, we want action.” We were also reminded in a recent sermon that we need to put our words into actions. Well, one would think that during a pandemic that things would slow down a bit. However, we are “full steam ahead” at Wilbraham United Church with plenty of action.

CHURCH SCHOOL

Our classes will begin on Sunday morning at 8:45 as we spend our first Sunday getting re-acquainted. Our Church School ZOOM classes will meet per the schedule that has been included in this Branchline on page four. If you did not receive an email from me, please let me know so that I can get the information to you. We will have a pick-up morning on Saturday, October 17. This is when you can get your at-home Church School materials. I will also send home a video and the family pages as we did during the spring quarantine.

BEDTIME BIBLE STORIES

Our Bedtime Bible Stories will return on Facebook Live on Tuesday, October 6. This segment will kick off our Church School theme each week with a reading of the Scripture story we will use. Wilber the Chicken will also return (under protest, according to his handler) to add to the stories with a special message or phrase. You never know what will come out of Wilber’s mouth. We also hope that you’ll remember the Bible Story each week.

Action, Action, We Want Action!"

DRIVE-THRU TRUNK OR TREAT

As house-to-house trick or treat has been discouraged this year due to the pandemic, we have come up with this safe event that will be sponsored by the Education Commission. The kids can put on their costumes, have their parents drive them through, collect candy at various spots, and then get out of the car for a socially distanced photo.

However, we need your help (time to take action.)

- Candy donations (we need a lot of candy! You can drop it off on Saturday, October 24 from 10-noon.)
- People to decorate their car trunk (or a table) to give out candy (we need many volunteers here.). Of course, you will be able to be socially distanced. Contact me or Shelly Capen if you can help.
- We will need Canned Food collectors as we are also collecting canned food for the Survival Center that day.
- Please invite your families! We want to offer Extravagant Welcome to as many as possible.

As always, if there is anything that I can do for you, please do not hesitate to contact me at christianed@wilbrahamunitedchurch.org.

Peace and love,

Paul

Musical Notes from Mark...

Did you know that Handbells are a descendant of church tower bells? The church buildings in the early 17th century were the center of the town. The bell or bells rang when there was a death, a birth, when the ovens were hot so you could come and bake your bread, or even when there was an invasion. Over time more bells were added to the towers. Change ringing emerged as a new musical expression. Change ringing is when all the bells are played without repeating the order of them. On 3 bells there are 6 variations. $1 \times 2 \times 3$, on 5 bells there are 120 variations and on 12 bells there is an astonishing 479,001,600 variations

The patterns must be played from memory and it requires physical and mental stamina. It takes practice....lots of practice. But it gets cold in those bell towers and it bugs the neighbors. The solution was to have smaller “practice” bells that could be played indoors without incurring cease and desist orders from the villagers. Soon Hand Bell playing became an art in itself.

English handbells (that’s what we have) were brought to America by the Peak family in the 1830s and in 1840, P.T. Barnum created the Swiss Family Ringers. There was no Swiss connection at all except for the attire of the ringers. In 1923, Margaret Shurcliff of Boston organized the Beacon Hill Ringers.

I will never forget the televised change ringing at the conclusion of Princess Diana’s funeral. The ringers at Westminster Abbey incorporated half muffled bells in the change pattern as is the English custom at funerals. You can YouTube this to hear it.

A complete peal of 4 bells (24 changes) requires a couple of minutes; one of 12 bells (479,001,600 changes); about 40 years. And you thought the pastoral prayer could get long! Change ringing is a little known but interesting acoustical application of mathematics.

Finance Commission Update

SEPTEMBER 27, 2020 PLEDGE INCOME REPORT

Annual Pledge Income Budget: \$225,000
Pledge receipts through September 27: \$166,000
We thank you for your gifts.

While we do not have the final September reports, we want to provide a September 27 estimate of where we stand and some projections. Pledge income through September 27 contains \$71,367 from full-year pledge donations. When we amortize these full-year gifts to evaluate giving after about three quarters, we find that pledge income is about \$20,600 less than expected for the ytd budgeted amount.

We are now 39 weeks into the budget year and an additional concern is that we have budgeted expenditures that exceed our budgeted income by \$14,763. We are falling seriously behind in pledge income and not making any progress on this additional deficit.

We have not seen the uptick in giving that usually occurred in September when people return from vacations. Looking ahead, this budgeted income shortfall will be compounded if the corona-virus restrictions extend through the end of the year. If there is no further loss of pledge income and if Holly Fair, Thrift Shop, Shopping Cards, Plate Income, Room Use and Special Income remain closed or restricted, a rough estimate of budgeted income shortfall is about \$46,000, which with the budgeted deficit becomes about \$67,000. While the \$56,200 SBA Payroll Protection Loan Program Loan will offset some budgeted and unbudgeted (Weekday Nursery School) salary expenses, it is apparent that we will end the year with a deficit, given that WUC committed to cover the Weekday Nursery School expenses through their 2019-2020 fiscal year. We realize that this is a difficult time for many people, but have to continue to ask “What can you do to help solve the budget deficit?”

Status reports reflecting your pledges and other giving through September will be prepared for mailing in October.

The response to the worship events planned and so beautifully presented by Pastor Chip, Reverend Paul, Mark and Deb has been wonderful, as has the generosity of people to the outreach collections at WUC. We have much to celebrate.

Please prayerfully consider how you can help and, again, thank you for your gifts.

Outreach

Are you looking for another way to serve your church, God, and community?

Consider supporting Loaves and Fishes!

Every third Thursday of the month at 11 am

volunteers from this worthwhile ministry gather to deliver dinners and desserts to the South Congregational Church in Spfld. Stuart Johnsen makes casseroles while additional volunteers make cakes and transport the food. In usual circumstances, the food is served by members of this mission to those in the community who are underserved and unhoused. Currently due to the Coronavirus pandemic, our volunteers are not serving the food.

If you are interested in baking casseroles or in a larger role in Loaves and Fishes, please contact Stuart Johnsen.

Please contact Judy Hoffman if you are interested in baking or Nancy Peck to assist with transporting food. If you are interested in making a donation, please send to WUC with Loaves and Fishes on the envelope.

News from Nicaragua

Belinda Forbes, Global Ministries Missionary to Nicaragua
belindagbgm.blogspot.com

For surely I know the plans I have for you, says the Lord, plans for your welfare and not for harm, to give you a future with hope. Jeremiah 29:11 (NRSV)

Greetings,

Friends and Supporters of Mission in Nicaragua!

First and foremost, my hope is that you are all keeping safe and healthy in this challenging time of the coronavirus pandemic. I have been able to connect with many of you at online worship services, Bible studies, and "Zoom social hours" as well as through personal emails and messages. These virtual connections have helped me understand the concerns of local congregations as they consider returning to in-person worship and activities...or not, and the ongoing issues of maintaining church budgets, schools reopening, elections and the devastation caused by the pandemic in some local communities. I am grateful for this time of sharing and feeling included as your missionary. I want to say thank you to United Methodist Churches for your ongoing support of missionaries through Global Ministries, which allows me to continue to serve on your behalf in Nicaragua at my place of assignment Accion Medica Cristiana (AMC). Read below for updates on how we, too, are living and responding to this new reality.

Prayer Requests

- For AMC's mobile dental health care which will resume in September
- For AMC's ongoing health projects and the positive impact on people's lives
- For those around the world whose lives have been turned upsidedown by the pandemic and who are in need of hope, support and community
- For Nicaragua and its ongoing, unresolved, polarized political situation
- For the election process in the United States and overseas voters as they figure how to get their ballots in on time

Another day of Wilber's Adventures around WUC...

Hi Y'all,
Wilber the Chicken here with a fun activity that will test your powers of observation. I've been bouncing around the church building lately. Let's see if you can guess where I've landed. Some locations will be easy to figure out; other spots might be a little trickier to figure out. The answers will appear on page 23 in the Branchline.

UNITED CHURCH
OF CHRIST

a just world for all

Thanksgiving Video Project

We are going to assemble another all congregation video (similar to the Peace Project video) for Thanksgiving Sunday. Send in a video of yourselves expressing thanks or what you're thankful for, or a picture of yourselves that is appropriately autumnal, or harvest based (picture with a pumpkin, or out in a pile of leaves). We'll weave those together to be shared with all during our Thanksgiving Sunday service.

Videos or pictures will need to be submitted by **November 6th** to be included in the video.

The length of your submission should be under 30 seconds.
(That's a lot of time!)

Some hints for a good quality shoot:

- Film in a location where there is a lot of light on your face(s). Outside is a great place to film on a partially sunny day. The lighting source should be in front of you and behind the camera (the other way around makes for a dark shoot!)
- Film somewhere where it is relatively quiet. Traffic noise makes it hard to bring out a good sound quality on video. Likewise stay away from a windy day!
- Remember who your audience is! Think about what joy you are giving others in our church family by giving them the opportunity to see your faces and hear your voices. We're all missing each other and this is one way we can (sort of) be together. Therefore, don't think of this as a chore. Think of it as that greeting to your neighbor on a Sunday morning before or after church!

*I've
So much to be*
THANKFUL
For

Thanksgiving Video Project

It's a good idea to do a test shot first and then watch it to make sure you've got a good focus and enough sound in your video.

Videos or pictures should be sent to:
Deb at thedebtrimble@gmail.com
with the subject line Thanksgiving video.

Please make sure your name(s) are included in the body of your email so we know who to include in the credits.

We will also have a filming opportunity available sometime soon at the church for those who are not comfortable doing filming on their own (probably during the next drive thru) . Otherwise, if you aren't leaving your home and would like someone to come film you there, we can do that as well.

Reach out to the church office, or our pastors to arrange an appointment!

Thank you from the Shopping Card Team!

We want to thank all of you who have continued buying cards through our program to help support our church! It really does make a difference for our operating budget, so we thank you! Please continue to keep it in mind. I know it's challenging...out of sight, out of mind...but until we meet again at our beloved church on Sundays, we are happy to find a way to get you your cards to make grocery, gas, pharmacy, coffee, take out and home improvement purchases.

Looking for other ways to help? We are currently carrying a hefty supply of inventory. Who would have thought this pandemic would have lasted this long?! So if you are already going, or plan to be going to any of these places of business, please consider buying any of the following cards we have in stock. It would be wonderful to not have this money tied up in our stock box, but helping the church earn some precious dollars. We would be happy to deliver!! Please contact Connie at cdstiefel@gmail.com or call/text her at 413-949-1057.

The following cards are available for purchase:

Chipotle (3@\$10)
Cinemark (4@\$25)
Dunkin (7@\$10 and 8@\$25)
Home Depot (8 @\$25 and 6@\$100)
Olive Garden (3@\$25)
Panera (3@\$25)
Regal Cinemas (1@\$25)
Starbucks (2 @\$10 and 7@\$25)
Subway (3 @\$10 and 1@\$50)
Uno's (5@\$25)

These are in addition to our best sellers (Big Y, Stop&Shop, CVS, Amazon, Lowes, Walgreens and Walmart which are always available), so if you are in a position to purchase these cards for now or in the future (Christmas gifts perhaps?), we would really appreciate it!!

Thank you,
Connie, Lisa, Candy, Kathy and Tim

Piecemakers

The Piecemakers, normally a quilt-making group, have morphed into a mask-making at-home group over the past several weeks because of needs arisen by the Covid19 pandemic. They are fortunate to have two additional women who have made and donated masks. They have created nearly 600 masks to date! Early on they gave masks to St. Francis Hospital, Mercy Hospital, Glenmeadow in Longmeadow, the Mental Health Association, Orchard Valley and Church Without Walls in downtown Springfield. More recently they have given masks to Life Care in Wilbraham, Armbrook Village assisted living in Westfield, Ludlow town nurses, Loaves and Fishes workers and clients in Springfield and have now expanded to members and friends of Wilbraham United Church.

Since nearly everyone in Massachusetts is supposed to be wearing a mask when out in public and not able maintain six feet of distance between people, members are continuing to work on this project. If church members or friends need masks or know of any organization that needs them, please notify:

Rev. Paul at christianed@wilbrahamunitedchurch.org.

Thank you to all the women who have been contributing to this project. They are Pam B, Candy D, Joyce E, Judy M, Marcia M, Nancy P, Judy P and Suzanne Z. We really appreciate all you have been doing!!!

Thank you also to Pastor Chip and Rev. Paul for their support.
